### FOR IMMEDIATE RELEASE

#### **Core Capital Group Adds Denver Office to Merger & Acquisition Services**

**COLORADO SPRINGS, CO, March 2, 2010** – Core Capital Group announced today that it has added an office in Denver, Colorado to its merger and acquisition services.

**Thomas H. Knops** will lead the Denver area office as managing director and will specialize in Information Technology and Healthcare Technology. He has over 30 years business and senior management experience in private industry primarily in the high technology sector, in business brokerage and business consulting. Tom's IT background includes extensive interaction both domestically and internationally in operational management, business development and strategic partner/channel development.

"Tom is a great addition to our firm. His extensive management and operational experience will broaden our services to our clients in the Denver area," said John Graaff, founder and senior partner of Core Capital Group.

#### ***About Core Capital Group***

Core Capital Group, Colorado Springs, CO, is a 19-year old investment banking firm specializing in mergers and acquisitions for middle market technology companies. They are a partner in the International Network of M&A Partners (IMAP), ranked sixth in the world for completed transactions with values up to \$100 million, according to the 2009 Thomson Reuters Mid-Market League Table.
